A Message from Cindy

"Showtime 2006" gives the dancers an opportunity to showcase 10 months of hard work. Congratulations to all students and teachers for such a wonderful dance season, together you have proved that practice does make perfect!

Thank you to all, without your continued support, the volunteers, the seamstresses, the studio staff and wonderful Meadowvale Theater staff, a performance of this size could not happen.

Congratulations to all the competitive students and

teachers for such a wonderful competition season. Good Luck to all students traveling to Orlando, Florida this year for Starpower National Dance Competition. Congratulation also goes out to all students who took their RAD Ballet Exam.

To all the students of the Dance Factory, now is your time to shine. You have worked very hard to get here, enjoy!

Have a wonderful summer. I hope to see everyone back in the fall for the Dance Factory's 25th year.
